Outperformed industry benchmarks with 87K+ Facebook followers, 5.8K monthly follower growth and 20K+ content interactions while maintaining publishing consistency and audience engagement above category averages.

Meta Strategy Transformation

Before:

- High-spend engagement campaigns
- Strong short-term reach
- Limited audience retention
- Weak accumulation of owned audience assets

After:

- Audience-building strategy
- Follower acquisition campaigns
- Lower spend
- Sustainable audience growth
- Retargetable owned community

Shifted investment from high-spend engagement campaigns to audience acquisition and retention strategies, reducing Meta spend by approximately 88% while building a scalable owned audience and retargeting ecosystem.

Increased TikTok net follower growth from 490 to 2,583 followers (+427%), generating 5.3× higher audience growth versus the previous reporting period through content optimization and audience-focused distribution strategies.

5 KEY TAKEAWAYS

STORY-FIRST CREATIVE

Emotional narratives around family and memories outperformed product-focused content by a significant margin.

CROSS-PLATFORM DISTRIBUTION

Adapting the core story for TikTok, YouTube, Instagram and Facebook maximized reach and engagement.

DIASPORA TARGETING STRATEGY

Deliberately targeting overseas Pakistani communities delivered substantial incremental reach without compromising domestic strength.

MEANINGFUL IMPACT

Built stronger brand affinity, expanded our community and positioned VGO TEL as a brand that values real human connections.

RESULT: A powerful Ramadan campaign that connected hearts, crossed borders, and strengthened the VGO TEL brand.

Youtube Channel Growth

Objective

- Expand VGO TEL visibility beyond Pakistan
- Reach overseas Pakistani communities in GCC markets
- Increase international content consumption and brand awareness

Results

- 2.46M YouTube views
- 20.3K watch hours
- 40%+ of total views generated outside Pakistan
- Strongest international markets:
 - Oman: 346K views
 - Bahrain: 200K views
 - Qatar: 54K views
 - Saudi Arabia: 28K views

Expanded audience reach beyond Pakistan by targeting overseas Pakistani communities across GCC markets, while maintaining Pakistan as the dominant source of both views (59.5%) and watch time (54.7%). The strategy leveraged a high-intent diaspora audience segment that frequently purchases smartphones for family members in Pakistan, increasing international brand visibility without diluting engagement from the core domestic customer base.

Building Content Governance
